# 2026 Field Trip with Lunch!

*Experience the Majestic Mississippi River*

## Educational, Food & Fun!

### 1 1/2 Hour Narrated Sightseeing Cruise with lunch!

As our Captain pilots the Celebration Belle, he will point out exciting sights along the Mississippi River, including the Rock Island Arsenal, Lock & Dam 15 and the Roller Dam, while sharing the history of the Quad Cities. Students will learn how the locks operate and their role in river navigation, discover what's happening at the Arsenal, and hear many other fascinating river facts.

*This is a field trip your students will love – a fun, memorable, and educational experience on the river!*
