## Celebration River Cruises

---

# 2026 Field Trips

## *Education on the River!*

---

### 1 1/2 Hour Narrated Sightseeing Cruise

As our Captain pilots the Celebration Belle, he will point out fascinating sights along the Mississippi River, including the historic Rock Island Arsenal, Lock & Dam 15 and the unique Roller Dam.

Learn about the rich history of the Quad Cities, discover how the lock system operates and why it's essential to river navigation, and hear what's happening today on the Arsenal. You'll also enjoy the best view of the impressive I-74 Bridge from the river — a perspective you can't experience anywhere else!

**Date options: *Call for available dates***

*\*We will create a date based on availability for your group*

**\$10.00 per person**

### 1 1/2 Hour Educational Cruise

**with the Rangers from the Corp of Engineers**

We have teamed up with the Corp of Engineers for a great educational cruise! Students will learn how the Lock & Dam System operates and why it's essential to river navigation, while exploring the Living History of the Mississippi River — including historic river travel, types of boats, and daily life along the river. This engaging program offers an up-close look at river operations and the impressive I-74 Bridge.

**Date options:**

**May 5   May 12   May 22   May 29**

*\*Needing a different date~ Ask for additional date options!*

*\*Summer camps - please call to check available dates*

**\$10.50 per person**
